Bank Loan Calculator - Test Report

PS No. 48 | Language: Python 3

Project summary

This report records the execution of the Bank Loan Calculator program. The application calculates EMI, total payable amount and total interest, then checks whether EMI is within 40% of monthly income.

Test execution summary

Test case	Result	Verification
Test Case 1	**PASS**	Normal loan calculation
Test Case 2	**PASS**	Zero-interest calculation
Test Case 3	**PASS**	Invalid principal validation
Test Case 4	**PASS**	Income eligibility rejection

Outcome: All four supplied test cases passed their expected-output checks.

Test Case 1 - Normal Input (PS No. 48)

Input values: 500000 | 10 | 60 | 50000

Test Case 1 - Normal Input

```
$ python one.py
Enter loan amount (Rs.): 500000
Enter annual interest rate (%): 10
Enter loan tenure (months): 60
Enter monthly income (Rs.): 50000
Enter loan amount (Rs.): Enter annual interest rate (%): Enter loan tenure (months): Enter monthl
Total Payable: Rs.637411.20
Total Interest: Rs.137411.20
Eligible: Yes
```

Test Case 2 - Zero Interest (PS No. 48)

Input values: 120000 | 0 | 12 | 30000

Test Case 2 - Zero Interest

```
$ python one.py
Enter loan amount (Rs.): 120000
Enter annual interest rate (%): 0
Enter loan tenure (months): 12
Enter monthly income (Rs.): 30000
Enter loan amount (Rs.): Enter annual interest rate (%): Enter loan tenure (months): Enter monthl
Total Payable: Rs.120000.00
Total Interest: Rs.0.00
Eligible: Yes
```

Test Case 3 - Invalid Loan Amount (PS No. 48)

Input values: -50000 | 9 | 24 | 30000

Test Case 3 - Invalid Loan Amount

```
$ python one.py
Enter loan amount (Rs.): -50000
Enter annual interest rate (%): 9
Enter loan tenure (months): 24
Enter monthly income (Rs.): 30000
Enter loan amount (Rs.): Enter annual interest rate (%): Enter loan tenure (months): Enter monthl
Enter a positive amount.
```

Test Case 4 - EMI Above Eligibility Limit (PS No. 48)

Input values: 1000000 | 9 | 120 | 20000

Test Case 4 - EMI Above Eligibility Limit

```
$ python one.py
Enter loan amount (Rs.): 1000000
Enter annual interest rate (%): 9
Enter loan tenure (months): 120
Enter monthly income (Rs.): 20000
Enter loan amount (Rs.): Enter annual interest rate (%): Enter loan tenure (months): Enter monthl
Total Payable: Rs.1520109.60
Total Interest: Rs.520109.60
Maximum allowed EMI (40% of income): Rs. 8000.00
Loan not eligible: EMI exceeds the allowed limit.
```
